37th PROJECT LEADERSHIP CERTIFICATION

22-26 February 2016

**Pearle Beach Resort & SPA,
Wolmar, Flic En Flac Mauritius**

International Recognition

We are pleased to inform you that
this course entitles you to
45 PDUs/45 Contact Hours

The University of Technology, Mauritius (UTM) in collaboration with Team SYNthesis is pleased to invite you to attend a high acclaimed course in leadership, the most important success differentiator in Programme/Project and Strategic Initiative Management. This course aims at empowering the Senior Management, Leaders and Managers and all those involved in strategic management with the skills needed to build high performance teams that can drive initiatives to successful

The PLC initiative, started in 2007, is a noble attempt to focus on TOP (Top Of Pyramid) in terms of fulfilling a leadership Centre of Excellence (COE) in Mauritius & Africa. With a well-publicized leadership challenge and a strong desire to develop Human Capital Competence, the PLC programme is a Leadership & Management 101 commando training for the region's practitioners through its proven shock-and-awe 5-day intensive but highly rewarding programme.

"The PLC Programme focuses on life-long continual leadership best-practices acquisition with monthly Masterclass, quarterly PLC Talk & Annual Gathering"

"PMBOK, Leadership, I can say that this course is better than MBA..."

Osman Daud, Manager, AmBank

Fashioned as a top-notch certification course with worldwide recognition from leading certification bodies, PLC is a proven ROI-attested mind-stretching endeavor with more than 5,200 participants from over 63 countries. Most of these vision-centric organizations have embraced the Leadership Developer motto and make PLC a must-attend in-house programme.

PLC is conducted over 5 exciting days covering project leadership (PL) and management key areas, best practices, Case Studies, Course Work, computer-based interactive (CBT) sessions, Group Work and knowledge benchmarking. Leadership areas covered are Professionalism, Governance, Risk & Compliance (GRC), Making Things Happen through the Art of War, Time Management & People Management. Successful participants will be awarded a PROJECT LEADERSHIP CERTIFICATION, accredited by the UTM.

PLC Leadership & Talent Management are courses available for financing under the EWF Education Soft Loan Scheme designed to support continual learning & talent development in Mauritius. Kindly contact EWF at (230)208 8353 or empwelfund@intnet.mu should you wish to take advantage of this scheme.

The Project Leadership Certification course, the first of its kind in Mauritius and the African Region, is anchored by Mr. TAN Chee Peng, CEO of Business Technovise International (represented in Mauritius by Team SYNthesis Mauritius & Africa) Ltd), which has been reviewed and approved as a **Global REP** provider of project management training by the Project Management Institute (PMI). As such, we are pleased to inform you that attending PLC entitles you to 45 PDUs (Professional Development Units) and 45 Contact Hours.

About the Chief Instructor

Mr. Tan is the founder and CEO of Team SYNthesis and Business Technovise International (BTI), a strategic services firm specializing in Business / IT Strategy, Programme & Project Management (PPM) large systems and business process integration projects.

Prior to BTI, Mr. Tan was the managing partner, Andersen Worldwide managing the consulting practice in Mauritius, Madagascar, Kenya, Malawi, Tanzania and Uganda. Mr. Tan, an ASEAN scholar and a First Class Degree holder from Imperial College, UK, has more than 30 years of consulting experience in financial services industry, helping MNC clients in Business IT Strategy Formulation and Implementation, Business Process Reengineering, Programme and Change Management, Performance Management and, e-Commerce strategy and Implementation. He was previously the Vice President, Technology of Citibank N.A, Singapore.

Mr. Tan was conferred the (CITPM, Senior), the Singapore National IT Project Management Certification on 26 November 1998. Based on his professional work in Singapore, Mauritius and Africa, he was independently nominated and admitted to the International Who's Who of Professionals for 1999. Mr. Tan also sits on the Board of Assessor for the Singapore National IT Skills Certification Programme – IT Project Management since its inception.

He is also a Fellow Member of the Singapore Computer Society and has been listed on the "SCS Roll of honour" in recognition and appreciation of his valuable support and contribution to the Society. Mr. Tan has given Project/Programme Management Conferences, workshops and training sessions to more than 5,200 PMs world-wide and has successfully completed assignments in more than 63 countries. Mr. Tan is also a Mauritius SAPES recipient & invited member, Honorary 300 of the Singapore National Infocomm Registry for ICT Professionals 2011 -2013

How does PLC differ from other courses?

This Project Leadership course covers a wide spectrum of issues other than standard project management areas that must be addressed in order to obtain the desired business outcome.

Experienced Professionals of International repute will be speaking at this event. They will give meaningful insights on key areas of project management.

Tool showcase: This unique professional development opportunity offers a platform to meet and interact with experienced Project Managers, colleagues and peers to share ideas and discuss various opportunities. Participants will also be given hands-on exposure to a real-life PMO tool, in order to broaden their horizons on the alternatives available in this ever-changing world of Project Management.

What Our Past Certified Project Leaders Have To Say...

"The PLC course has helped me not only to improve my project management skills but most importantly, the project leadership skills. I have enjoyed the 5-day commando training delivery by

the Chief Instructor and have acquired useful knowledge and techniques. I will surely recommend this course ..."

Mohammad Akhtar Hoossen JOOMUN
IT Project Manager

"The PLC course is the best tool to develop potential project leaders. The 5-day commando training has been very challenging and enriching, pushing us to understand the existing gaps in achieving our goals. I am very motivated and see the changes in me as I strive to be a top-notch professional leader ..."

Bina Devi BOOLKAH
QC Manager

"The PLC course makes one to think out of the box. The course is a very enriching experience with full of values and principles. I also acquired tools and techniques that have sharpened my skills. I will

certainly apply the course teachings in both my professional and personal life. I will certainly recommend those who want to become effective leaders to attend this course ..."

Devi Chand Anandi Rye SEEWOORUTHUN
Permanent Secretary

"The PLC course has redefined a new leadership perspective for me. Molten and remoulded, I now have a new mindset & deeper insight to manage projects, and the heightened confidence to effectively lead a team. Join the course, fasten your seat belt, the stig will drive you through ..."

Rameshwar RAMLUCKHUN
Technical Officer

"The intensive PLC course has shown me how to read in between the lines and think outside the box. It has upskilled my personal and technical knowledge & techniques. This very interesting week is something I will recommend to all to experience, observe and learn ..."

Yannick Kian Cheong NG YU KWONG
Accounts Manager

"The PLC course is an interesting journey to discover one's strengths, weaknesses and how to stay alert. I learnt techniques how to make things happen and benefitted from applying them. I discovered myself and morally boosted ..."

Bharati RUGOONAUTH
Bank Branch Manager

"The PLC course is best for those who strive for personal and professional leadership excellence. Throughout this best course of my life, my mindset changed from reluctant to resilience. My oldself was broken, I am now rebuilt stronger and unshakeable with best practices knowledge and techniques..."

Meenakshee KUNTZ
Finance Manager

"The PLC course has been an intensively enriching experience, both on professional and personal levels. It is a self-searching journey that will redefine your outlook and perspective to reach your next S-curve of excellence. The 5-day highly energetic course will leave you wanting for more ..."

Previn GOURY
Assistant Manager

LEADERSHIP

What Our Past Certified Project Leaders Have To Say...

"The PLC Course is immensely practical & impactful, changing not only the way one works but also one's life! The structured experiential focus on Case Study & Group Work provides the practical know-how and techniques, enabling one to hit the ground running on the first day back at work. PLC serves as the catalyst for one to grow technically, spiritually and personally ..."

Chin NG
Director

"The PLC course is really a commando training where it builds up your competencies in the 10 + 4 knowledge areas with proven best practices & techniques. PLC has a uniquely enriching & well-organised delivery methodology which bounds to make a difference. I would recommend this course to all aspiring leaders: Go for the Challenge, Witness the Change! Live the Transformation ..."

Yash GUJADHUR
Technical Project Manager

"The 5-day PLC Course is the most influencing stretch of my life. I learnt more about myself, my limits & what I could achieve when I put my mind over matter. PLC has provided me with the knowledge, tools & techniques to substantially improve both my professional and personal life. I recommend all to attend PLC, a life-changing encounter, one which catapults you to the next S-level of excellence ..."

Muhammad Ikhlass WARDALLY
Pre-Sales Engineer/Technical Lead

"The PLC course has been very enriching, sharing a huge amount of knowledge daily to kick-start a leader's climb to the next level of S-curve. Each passing day gave me the thirst to learn more and more. I learnt that I could push my limits to a level never before ..."

Koosoom DESAI
IT Project Officer

"The PLC course can best be described as simply the journey to discover oneself. Testing one's limits is the best way of charging the human battery. The incredible course delivery taps effectively into one's higher dimension of consciousness thus maximizing its impactfulness. Be brave and embrace the course ..."

Romila Anuradha RAMOLY
Business Relationship Manager

"The PLC course is mind blowing as it will test one's physical & mental strengths. Delivered in commando training style, it was immensely impressive & inspiring with 10+4 knowledge areas, best practices & techniques. This course, the first I am attending in 15 years, makes the waiting worthwhile ..."

Jeega MOORGHEN
Manager

"The PLC course is without a doubt the best course I have ever attended. With the 10+4 knowledge areas, best practices & proven techniques, it has substantially value-added to my Project Management knowledge and soft skills ..."

Dudley TSE KAI WAI
Lecturer

"The PLC course offers 5 days of very intensive formal, social and experiential learning. PLC is worthy of every moment, providing the key knowledge, best practices, tools and techniques to better manage both projects & people. Now I am confidently equipped to succeed both in my career and in my personal life ..."

Jean Hugues Gabriel YAGAPEN
Business Analyst

What Our Past Certified Project Leaders Have To Say...

The PLC is a real commando training programme. No regrets for having accepted. It's all about your will power and humility. Thanks to the unparalleled course delivery approach, all will benefit from the knowledge areas perfectly regardless whether you are from non IT and non PM fields. A must-attend course!

Vandhana Gungabissoon
Administrative Officer

The PLC is a must-attend course for those who wish to build their foundation for future successes. Definitely not a sit-and-absorb training spiced up with tea and lunch breaks. Lazy people ya be warned. PLC challenges you in terms of content, structure and self-discipline. It will take you to the rock bottom of your performance, but only to make it a solid foundation on which you will build your future. It is a great opportunity worth seizing ...

Shaan RAMCHURN
Researcher

Although the PLC course is a very tough and demanding one, it is also very enjoyable with insightful knowledge! I acquired deeper project management competency but more importantly, practical wisdom about life lessons in leading and making things happen. I will certainly send all my leaders to PLC ..

Chandrasen MATADEEN (Raj)
Principal Engineer

The PLC course is a very enriching one. Well-known for being a tough boot camp, I have no regrets attending it as I acquired invaluable insights - useful professionally and personally. I will certainly be back to renew and acquire deeper skills in 5 years' time ...

Jean Clifford SAUTEUR
Senior Credit Controller

The PLC is a must-attend course as the opportunity cost of not doing so is mind-boggling! Few trainings can deliver not only content but also experience: what's more, it is a gain in experience that you can actually measure.

Leaw Shavin KISSOONDHARRY
Researcher

The PLC gives a mindset-changing experience. It has helped me to discover a new and more effective approach to issue resolution. I will recommend all my colleagues at work to attend this course as it benefit the company tremendously ...

Somduth SUJEEBUN (Suren)
Head of Maintenance Dept

The PLC course is very enriching but daunting. On the first day I was really scared but as the days went by I discovered myself more. Now I know my limits and how to overcome them to succeed both in my professional and personal life. An awesome course, all must attend ...

Mantee RAMPHUL
Executive

The PLC course is a very tough and challenging course that will test one's limits! Its formal-social-experiential approach accentuates the professional, technical and practical application aspects that will help attendees to reach the next S-curve of their careers. In addition, PLC also covers comprehensively topics that attendees will find enriching from a personal perspective. I have no hesitation in recommending PLC to professionals who seek excellence.

Caroline TSE VE KOON
Business Relationship Manager
