9th Innovation 5.0 Conference on NEXTGEN Sustainable Future - Thriving Resilience, Sustaining Growth in i50-SDG Era, 20 October 2023, Mauritius (GMT+4, Blended Online & On-Premises)

LEADERS 5.0 encourage one's MIND and inspire one's SOUL to make GREAT things happen. OPEN-minded and guided by MORAL compass, we must DREAM and BELIEVE for LIFE ends when we stop dreaming, HOPE ends when we stop believing. As our ability to THINK is unlimited, likewise the things we can think into existence. Our VALUE is measured in the number of those who STAND WITH us not those who follow. Invariably, what we do in duty and in life weigh less heavily than what we WISH WE HAD DONE. Afterall, like the Lotus flower, where we REACH is important, not where we START.
