

Andre HOFFMANN

*Founder & CEO
MyAnyX Global;
MyTechie South Africa (Pty) Ltd*

**Industry 5.0 Practitioner, Project Management
& Telecommunications Expert,
Visionary Leadership,
Humanizing AI Practitioner**

André HOFFMANN is the Founder and CEO of MyTechie South Africa and the Make-A-Difference (#MAD) Foundation with significant experience in the telecommunications industry. Along with his industry partners, he is building an ecosystem, that is a facilitator of standardized engineering, technical and artisan skills and services to local communities and service providers, matching them in a digital marketplace (Technician-as-a-Service).

André is Past President of the South African Institute of Electrical Engineers, and a registered Engineering Technologist with the Engineering Council of South Africa. André is an ICT professional, having worked in the industry for over 40 years. A veteran of the Telecoms industry in South Africa and now a gig-economy entrepreneur, where he is leveraging technology to go 'beyond-the-fix,' by creating the job creators through his MyTechie business, the catalyst for economic empowerment in challenging times
