

Geerish

BUCKTOWONSING

Director (Industry)

Economic Development Board

**Industry 5.0 Practitioner, MSME/MSMI
Expert, Sustainability Expert**

Geerish BUCKTOWONSING is the Director (Industry) at the Economic Development Board Mauritius. He is an expert in strategic management and marketing. With more than 15 years of senior roles, he has served selflessly to develop Mauritius to be a more just, fair and sustainable country.

A MBA holder from Edinburgh Business School, Heriot-Watt University and a Bachelor of Engineering (Mechanical Engineering) from the National Institute of Technology (Ex Regional Engineering College, West Bengal), he is a part-time Lecturer at University of Technology, Mauritius (UTM) in Marketing, Negotiation and Strategic Planning, and Board Member, National Empowerment Foundation & National CSR Foundation. Geerish was previously with Enterprise Mauritius (National Trade Promotion Organisation), and past Mauritius Council of Social Services (MACOSS) Chairman, Rotary Club of Beau Bassin/Rose Hill President and Federation Mauricienne Savate Boxe Francaise and D.A President.

An avid social activist and social observer, Geerish analyses the current evolution of the Mauritian society and believes that Mauritius is in the quest for equilibrium.
