RegTech, SupTech, Innovative Customer
Delight**

Issa SOORMALLY – a former Deputy Governor of the Central bank of Mauritius – is the MauBank Deputy Managing Director. He is a leading business leader in the field of banking and financial services, having worked for global and regional conglomerates with presence in Mauritius, Bahrain and Seychelles, namely BNPI, Barclays, Bramer Bank, Bank of Muscat International, Al Salam Bahrain and Toukan Corporate Services Ltd. Issa also has a proven track record in international banking in various jurisdictions, such as France, Luxembourg, Reunion Island, Kenya, Dubai and South Africa.

He had the opportunity to work at the regulatory level, at the Central Bank of Mauritius as Second Deputy Governor, and is currently Vice-Chairman of the Economic Development Board. He is also a member of the Mauritius Institute of Directors, a member of the Strategy Subcommittee of Mauritius Finance and a member of the Board of Directors of the Mauritius Africa Fund under the aegis of the Ministry of Finance and Economic Development.

Issa is a firm believer in innovative, cutting-edge solutions to delight the customers and explore new growth opportunities.
