Zainol ZAINUDDIN

Chief Technology Officer

Industry 5.0 Practitioner, Payment /FinTech
Expert, World CIO 200

A veteran of IT Transformation with over three decades of experience, Zainol has distinguished himself as a leading figure in the Financial and TELCO sectors. His consistent success in guiding large-scale initiatives earned him the prestigious World CIO 200 induction from the Global CIO Forum's Malaysia Chapter in both 2023 and 2024, solidifying his global reputation.

More than just a seasoned IT professional, Zainol is a visionary strategist adept at aligning technology with overarching business objectives. His ability to navigate complex stakeholder landscapes and his deep understanding of industry dynamics drive transformation programs that deliver tangible results.

As Chief Technology Officer at iPAY88, Zainol continues to lead the charge in innovation, particularly in the rapidly evolving world of payment solutions. His leadership is instrumental in positioning iPAY88 as a pioneer in digital payments, ensuring the company's continued technological advancement and industry dominance.
